

- **Approximate Dimensions:** 24L x 16W x 12H. Wall boards are 1" thick.
- **Clasp (required):** Must support combo lock
- **Side Handles (recommended):** Material used is up to you.
- **Corners / Feet (optional):** Neither is required. Tent floor is concrete.
- **Stain / Lacquer (optional):** If staining or using lacquer, this should be done AFTER branding. These materials tend burn under high heat.
- **Paint (optional):** If painting, you'll want to paint BEFORE branding if you do not want the brand to be filled-in with paint.
